

Fall 2007

(September 10 - November 30)

Dear Parents,

As we near the completion of another fruitful summer, we are very excited to tell you about the upcoming fall semester. All the preparations are already made to bring the best possible education and activities to super smart and passionate students like you starting September 10, 2007.

A lot of great stuff is in our curriculum! In addition to top quality Math, English, and Writing, we have added a new syllabus for sciences for our curious and mind-sharpening students from 5th to 8th grade. Our SAT and SAT programs offer proven methods to improve student's scores, and our TOEFL and ESL programs continue to give students the unique opportunity to practice their skills at a certified TOEFL testing facility.

Prime Institute International always strives to give you the best education possible and help you get one step ahead of others.
